

Boreham Neighbourhood Plan Steering Group

Minutes of Meeting 17th December 2024 at 7:00 pm

Attendees

Nigel Brown, Linda Reed, Gill Dickson, Alan Swash, Charles Martin, Bill Brown

Item 1 Apologies

Richard Wilkes

Item 2 Minutes of Previous Meeting

Minutes agreed.

Item 3 Matters Arising

NB reported that CCC has advised that there is no official requirement to store all the information relating to the Plan, however the group decided that we will keep all relevant information for the life of the Plan.

Item 4 Responses to Reg 14 Consultation

At the meeting the Group considered all the responses received as listed in the attachments to LR's emails 1/12/24 and 14/11/24 and has completed the analysis as referenced to the "Vision" and "Objectives" to date. All responses considered were either actioned as being helpful to the document or noted but not actioned.

As the "Policies" are more complex and detailed, it was decided that the Group would consider the responses to the Policies individually and return with their thoughts to the next meeting in January 2025.

Item 5 Meeting with Parish Council

No dates were discussed, as the Group needs to fully consider all the Reg 14 responses and have a clear way forward to report to the PC.

Item 6

No item 6

Item 7 AOB

The Group noted that CCC's full council business has been temporarily suspended due to the death of a councillor. Hence any feedback/decisions from CCC may be delayed until a new Member has been elected. This may have an effect on BPNP's programme.

Item 8 Date of Next Meeting

Monday 6th January 2025
